Cantrill Speaks Here

Congressman J. Campbell Cantrill addressed the voters of Clay City and vicinity last Wednesday night on the issues of the day. A large crowd was present and the Congressman was frequently applauded for his pointed remarks. He predicted a sweeping victory for the Democrats this fall, and a certain return to full control of the government in 1924.

Bank Report

The Clay City National Bank has one of their splendid reports in this issue of The Times. This report shows ten thousand dollars added to the surplus fund which enlarges the scope of the bank's loans to firms and individuals, which is often an important feature with business men and farmers requiring large loans. The surplus now being \$35,000, extends the capital \$10,000.

Car of Shale Loaded

A car load of shale—fifty tons—was loaded in Clay City Tuesday to go to Buffalo, N. Y., where it will be thoroughly tested out on its merits. Business men want to know the goods are correct before they put out any money. We have confidence in our shale and trust capital will realize the opportunity of putting in a plant here and that real soon.

Two More Cars

Joe Mountz returned this a. m. with two new Ford touring cars. Now is the time for the country folks to take advantage of the good roads and link themselves with the city, let's all go together, no better way than to try one of the new cars. There's a difference. (So buy a Ford and spend the difference.)

See Joe and place your order as it takes time to get them.

Satisfactory Assistant

Miss Ethel White has been retained as Assistant Postmaster by Postmaster Pherigo. This pleases every patron of the office, for truly is Miss Ethel gifted in serving the patrons of the office in a courteous, prompt and highly efficient manner.

Planing Mill Starts Monday

The Brodhead Garrett big planing mill started Monday, giving employment to the usual number of men, which is badly needed at this time. We are all hoping this mill can find it profitable to run continually.

C. L. Russell Improving

The many friends of Mr. C. L. Russell will be glad to learn that he is beginning to improve from his long siege. He is now able to sit up most of the time and is able to get out on the porch and enjoy the outdoor air.

The Lexington Herald has been sued for \$50,000 for telling what most people believed to be true about a Judge of a Court.

Buildings in Clay City

Judge Daniel has recently completed and put into service the new Clay City court room; Wm. Bashaw is putting up a new addition to his garage to accommodate more storage and to provide room for a paint shop; Joe Mountz is each day expecting the steel to erect his garage, having the foundation complete and ready; The Clay City Times is erecting a two-story veneered building for printing office; and J. T. Wright is finishing a splendid residence one and one-half miles from town on the Irvine road. Now, who says Clay City is dragging even in cramped times?

Clay City Court Day

Clay City Court Day will be here again Saturday, the 15th. We are expecting several head of live stock and a good business day. The show will be here too on that day and a good time may thus be had to those who can enjoy shows and the Flying Dutchman. Come one and all to Clay City Saturday for a combination of business and pleasure.

Attending Trial

Mr. T. G. White is at Mt. Vernon again this week attending the trial of James Bailey, John Lee and Geo. Perry, charged conspirators in the murder of his brother, Bey White, in Laurel county, last year. A ruling of the Court of Appeals is to the effect that while these men are guilty as conspirators, a jury must fix the penalty.

Drilling Begun

Knox & Williams have contracted with Coleman Hall to drill two wells at Virden. Mr. Hall has a machine now located on the Cory Clemens lease and began sinking a hole there Tuesday morning. Here's looking for a good well. All oil men say there is a pool underground somewhere near Clay City if it can only be found.

Dr. Nickell Here

Dr. Nickell, the dentist, is at Central Hotel for a two weeks stay—till July 15th, to practice his profession.

Dr. Nickell will be at Stanton all of next week and at Furnace all of the week following.

The Show

The show opened Tuesday night as advertised and a large crowd is attending nightly. The editor has not attended and is not in a position to commend or condemn the exhibitions.

Wm. Johnson sold Tuesday to Will White a nice pair of two-year-old mules at a private price.

We have some very hot weather this week which we may expect for July.

Two teaspoonsful of Tanlac in a little water taken three times a day just before meals will make you eat better, feel better, sleep better and work better. C. Shimmfessel.

Jumps at Conclusions

Last week the Times had an article bearing on the subject of teachers breaching contracts for larger salaries. Peculiar circumstances led some to conclude that the Times had some individual in mind. Former occasions when many teachers had been known to breach contracts for larger salaries, in this county, provoked this article; it was no thought of slurring any individual. In fact, we have not learned of any teacher being guilty of such conduct this year, and if one should be inclined to do so, we trust the article last week will reflect in their mind and prevent them from doing so.

Attends Dealers' Meeting

Joe Mountz was called to Lexington last Friday to attend a meeting of Ford dealers of this section to discuss means of getting better acquainted with their territory and helping in general to give the public better service. Mr. Mountz was informed that there will be an industrial exposition of Fordson tractors at Cincinnati, July 17 to 22. The public is cordially invited to attend this demonstration and see the Fordson performing all classes of work.

Dies at Richmond

Mrs. J. J. Edwards, aged ninety years, died last week at the home of a daughter in Richmond. Mrs. Edwards was the widow of the late Eld. J. J. Edwards, who was a successful Baptist minister of Estill county fifty years ago. Bro. Edwards organized Powell's Valley church near this city forty years ago and was pastor of this church for a number of years after its organization, and until his health failed him.

A New Shale Machine

Ernest L. Gothier, of Buffalo, N. Y., is in the city superintending the loading of the car of shale going to Buffalo to be tried on the Newbery new process machine, which machine is built to cheapen the cost of extracting shale oil. If this machine proves the success its owners claim, a shale oil plant will be built in Clay City for a certainty.

Four Killed Sunday

Two were killed and the third one seriously injured in an automobile wreck near Lexington Sunday, and two were killed and one seriously injured in Indiana near Louisville also Sunday. Sunday rides, which we all enjoy, should be tempered with more moderation.

A Good Thing to Know

Foley Cathartic Tablets are a generally wholesome physic—an ideal laxative. They keep the system fit and fine, purged of poisons and ready to resist disease. Miss J. Hunter, 1260 Stedman st., N. S., Pittsburg, Pa., writes: "I cannot praise Foley Cathartic Tablets too highly for what they have done for me." Sold everywhere.

Personal Paragraphs

Mrs. Coleman Portwood was in Winchester Monday.

Geo. Bush was here Saturday and Sunday from Winchester.

Mrs. M. Rose has returned from Hot Springs, Ark., where she was for thirty days for her health.

Dr. and Mrs. A. T. Knox, of Thompson station, were here Tuesday.

Oscar Mackey and family have returned to their home here after several months stay at Pryse.

S. J. Anderson, of 4th of July picnic fame in Clay City years ago, was here the last of the week.

Mr. and Mrs. Morgan McKinney, of Winchester, spent Sunday with relatives on Hardwick's creek.

Misses Louis and Mina Watson, of Danville, arrived here Tuesday for a visit to Mrs. R. L. Tip-ton and other relatives.

Mr. P. R. Shimmfessel and Mr. and Mrs. Joe Shimmfessel, of Fayette county, spent the week end with relatives on Hardwick's creek.

James Bloom is in Louisville taking treatment for his serious throat trouble. Advice to Mrs. Bloom at home are encouraging as to his condition.

Mr. and Mrs. C. O. Eaton, of Pulaski county, were here last week with relatives. Mr. Eaton received the congratulations of his many friends upon his recent successful matrimonial venture.

Miss Della C. Portwood has returned from a two weeks visit with friends in Mercer county, where she was very delightfully entertained with a house party, moonlight party, and boating excursions on the Kentucky river.

Old-Time People

When we read that very interesting book, the title of which is "The Good Old Days," the author a school teacher, the Honorable C. W. Bell, takes us back to our mother's days, and our mind rests with that class called "old-time people." Our fathers and mothers, the old-time folks, taught us it was not good manners to smoke and chew in the presence of ladies and to swear was reproach to our ancestry. Those were days when men regarded the feelings of the fair sex. Is it this way today? Nay, verily. Smoke, chew and curse is an attractive acquisition these modern up-to-date days. All people, however, do not care to depart from the raising imparted in those "good old days."

Only a few issues back a subscriber of the Advocate phoned us, "Where did you get the item that I would entertain at cards? I would not have that error made for the world. I do not entertain that way." That woman was of a cultured family, one who had not departed from early training. The cards and card tables had no place in her home.—Mt. Sterling Advocate.

STANTON.

Miss Maud Boone is still on the sick list.

Most of the farmers are done their corn and are now putting up hay.

The Chautauqua is with us for the week's end. Everybody invited to attend.

Mrs. Yocum from North Bend, was visiting John Oaks Saturday night for church.

The berry season is here and nearly everybody is trying to get some canned before they are gone.

Mr. and Mrs. John McAnallen and Mr. and Mrs. William Hardwick were in Lexington over Sunday.

William Ewen and Arbor Snowden have returned home from Newport, where they have been for some time.

The roads are getting pretty good around Stanton and vicinity and they are still working them where needed. Hurrah for the good roads movement.

Mr. Hollars has returned home from Wolfe county where he has been for a week, and was visiting with his family on Cat creek Monday, where he expects to have church Sunday at 10:30 a. m. and try to organize a Sunday School after service.

Mr. Charlie Jackson has been at work on the Stanton cemetery and has it cleaned off and is also putting up the fence. The work is not going as it should it seems on account of funds. Mr. Jackson is donating his time to improving and beautifying the cemetery and it seems that everyone interested should send their donation to the Powell County Bank without delay marked Stanton Cemetery Fund of Mr. Jackson and it will reach the proper channel to help do the much-needed work.

Our cemetery has been more or less neglected heretofore, but let's see to it that it is not any more. We owe it to the deceased, our town, ourselves, and our God to help out with this great cause.

"Tanlac did what everything else failed to do." Thousands have said it. So will you. C. Shimmfessel.

Listen! Just think of it! The Cincinnati Daily Enquirer and the Clay City Times both one year for only \$4.50. This offer will hold good only for a limited time. Bring or mail your subscriptions to E. F. Harris, Clay City, Ky.

Coughed so He Could Not Sleep

Tickling throat, bronchial coughs and asthmatic spasms break one's rest and weaken the system, and serious sickness may result. Enos Holbert, Paoli, Ind., writes: "I had a severe cold and coughed continually at night. Could hardly sleep. Foley's Honey and Tar stopped my cough." Sold everywhere.

SPOUT SPRING

Shelt McKinney attended court at Irvine Monday.

Mrs. Madge Lewis, of Winchester, is visiting relatives here this week.

Mrs. Juna Smith and children have moved from the Joe McKinney place to the Fox farm.

Miss Emma Barnett returned to Winchester Monday after a two weeks visit with relatives and friends here.

W. J. Christopher, of Pilot View, was the guest of his brother, H. F. Christopher, Monday night and Tuesday.

Mrs. Nannie McKinney, of Winchester, and Mrs. Wm. Mize, of Kimbrell, spent Tuesday with Mrs. Belle Burgher.

Mrs. Nancy Yocum and two children, of Stanton, are visiting the former's brother, Isaac Elkin and sister, Clara Holland.

Mr. and Mrs. Oscar Barnett, of Clark county, are visiting the former's sister, Mrs. Geo. W. Pasley. Mr. Barnett is quite sick at this writing.

Mr. and Mrs. Albert Crow entertained the following guests Sunday: Miss Aileen Snowden, Lennie Crow and two children, of Stanton; Mr. and Mrs. Asa Crow and little son, of Vaughn's Mill; Mr. and Mrs. Alfred Crow and three children, and Mr. and Mrs. Earl Todd and little daughter, of this place.

The dedication of the new M. E. church at Harg Sunday was a very successful occasion, despite the downpour of rain in the afternoon. A very large crowd was present and enjoyed three splendid sermons delivered by the Rev. Gabbard, from Winchester. Donations made that day, together with former ones, made enough to finish paying for the new building, except \$49.00. A very elaborate luncheon was served on the ground which was partaken of most merrily.

Morris Creek

Mrs. Henry Benningfield is on the sick list this week.

Ishmael Neal spent the week end here with home folks.

There were several from here went to Hatton Creek Sunday.

Mr. and Mrs. Edna Martin have returned home from Newport and will remain here a while.

Mrs. Stella Turner and Misses Maggie Willoughby and Gladys Barnes attended church here Sunday.

Mr. and Mrs. Clarence Neal and family spent the week end at Fitchburg visiting her brother, Cain Reed.

Misses Iola and Ruby Swango, of Stanton, spent the week end here visiting their aunt, Mrs. Henry Stephens.

Mrs. Matt Strange and Mr. and Mrs. Howard Martin and Mrs. Everett Faulkner attended church here Sunday.

Bro. Davis Hamilton, of Hawkins' Branch, attended church here Saturday and Sunday and assisted in the

Ye scribe, who holds up this end of the Times staff, has been somewhat "under the weather" for the past several weeks. So we beg to be excused.

There are a few farmers in this section plowing yet, but most all are done laying by corn. The recent copious rains have kept the gardens in splendid condition and never before have they looked better. Corn crops are looking well also along the creek.

Chas. West and his wife had a fierce battle with their own dog Sunday when all of a sudden he became apparently mad, turning first on Charlie, then next to Mrs. West, trying to tear them to pieces. After a time they managed to capture the dog and put him to death by chopping his nose off. It was reported they sent the dog's head off to find out whether or not it was mad.

Dr. Nickell will be at Stanton all of next week and at Furnace all of the week following.

20,000 Bushels of New Wheat

Kentucky this year will produce more than 20,000 bushels of seed wheat from the Ashland strain, the new pedigreed and high-yielding one developed at the Kentucky Agricultural Experiment Station, according to Ralph Kenney, crops extension specialist of the station.

An inspection of 96 fields of Ashland scattered throughout the State and comprising a total of 1,600 acres has just been completed by the station agronomy department to determine if grain from them will be suitable for seed purposes. Approximately 100 other fields of wheat from this strain are being grown in the State but were not inspected.

As an average for seven years, Ashland has produced 23 bushels more of grain an acre on the Kentucky station farm than any other variety of soft wheat commonly grown in Kentucky. Farmers in all sections of the state are obtaining good yields from the new strain with the result that seed from it is expected to be in heavy demand this fall. A list of farmers having Ashland suitable for seed is being prepared for distribution to farmers and county agricultural agents.

but is much weaker. He says he is purifying his body and getting ready to depart, that he has had an awful struggle, but expects to hold out faithful to the end. Says the devil tempts him all the time and that he is showing the people that they must make sacrifices if they ever see God. And that there are other people that believe as he does. He is getting letters from different states asking for his picture and speaking words of encouragement to him.

THE "OLD RELIABLE"

THEDFORD'S BLACK-DRAUGHT

White Haired Alabama Lady Says She Has Seen Medicines Come and Go But The "Old Reliable" Thedford's Black-Draught Came and Stayed.

Dutton, Ala.—In recommending Thedford's Black-Draught to her friends and neighbors here, Mrs. T. F. Parks, a well-known Jackson County lady, said: "I am getting up in years; my head is pretty white. I have seen medicines and remedies come and go but the old reliable came and stayed. I am talking of Black-Draught, a liver medicine we have used for years—one that can be depended upon and one that will do the work."

"Black-Draught will relieve indigestion and constipation if taken right, and I know for I tried it. It is the best thing I have ever found for the fall, uncomfortable

feeling after meals. Sour stomach and sick headache can be relieved by taking Black-Draught. It aids digestion, also assists the liver in throwing off impurities. I am glad to recommend Black-Draught, and do, to my friends and neighbors."

Thedford's Black-Draught is a standard household remedy with a record of over seventy years of successful use. Every one occasionally needs something to help cleanse the system of impurities. Try Black-Draught. Insist upon Thedford's, the genuine.
